List of Scholars Obtaining the Scholarship  
Discipline of Excellence in Pharmacy Project  
Academic Year 2018**

---

The Faculty of Pharmaceutical Sciences will grant scholarship awards for graduate students under the funding of the Discipline of Excellence in Pharmacy Project, Academic Year 2018. The criteria for the scholarship and the successful applicants are listed as follows:

1. Research Assistant Scholarship: The grantee will commence work from September 1, 2018, to August 31, 2019. The work will be academic or research related and will be assigned by the department or thesis advisor. The workload will be 8-10 hours per week. A performance report certified by the advisor will be issued monthly.
2. Funding Agreement: The grantee must secure a funding agreement from Educational Services, Faculty of Pharmaceutical Sciences, before September 30, 2018
3. The grantee must pass the English Language Proficiency Test according to the criteria set by the Graduate School.

The grantee must have part of his/her dissertation published or accepted for publication in a journal with qualified librarians; master's degree must have at least one and doctoral degrees at least two. Following graduation, if the grantee has not published, either research papers or other work, he/she must pay a return of 25% of the total amount received.

Effective from 17 August 2018 onwards until further notice

Issued on September 24, 2018
